OUR COMMITMENT

SAFETY AND QUALITY

We take quality and safety very seriously therefore we are constantly carrying out inspections throughout the entire process. We track and monitor every element prior, during and after production.

COMMITTED DELIVERY

We strive to adhere to the time lines and ensure timely delivery of the products.

TESTING

We measure and record the performance of all raw materials, adhesives, coatings and manufacturing settings. All materials are thoroughly checked and tested in our laboratories before going to production.

MAXIMUM FLEXIBILITY

We are able to react to market changes and customer demands rapidly and apply new business processes instantaneously.

NEW PRODUCT DEVELOPMENT

We are flexible for the development of new products as per the requirements of our valued customers.

BRANDING

Considering clean packaging in the context of enabling clean foods, its an opportunity for all brands to tell better stories and demonstrate that the well being of their customers is the top priority. With our in-house design team we are equipped to provide our valued customers their branded packaging design solutions.

OUR CERTIFICATION

At mPacks, we take pride in our commitment to quality and sustainability. We hold the prestigious FSSC 22000 certification, which underscores our dedication to maintaining the highest standards of food safety management. Additionally, our FSC (Forest Stewardship Council) certification reflects our responsibility towards sustainable sourcing and environmentally friendly practices. These certifications demonstrate our unwavering focus on delivering premium products while contributing to a healthier planet and a safer, more sustainable future.
